We were very concerned for Mary Makecho, the Burundi evangelist, not having heard from her in several months. See Outreach Reports for that country for a full explaination of the difficulties she has been facing.

26th Nov 2010 - Kenya

23rd Nov 2020 - India - Andrea Pradesh:

Brethren Danny & Terri, thank you for your request for information re tracts. Yes, we and our linked pastors will still be needing 60,000 Telugu tracts to complete our work for 2010. 23rd Nov 2010 - Nigeria - Abia State:

The following extract is from a new contact in Nigeria. We have withheld further details for obvious reasons Please pray for this young man's desire.

For an update on John's work in Ghana please click on Outreach Reports; Ghana, Takoradi.

16th Nov 2010 - Tanzania - Dodoma:

We received the testimonies report from Peter Siwale yesterday, and as we promised earlier, it is now up on "Mission Reports" for that city. Please pray for all these new brethren, and for Peter as he faces some very big challenges, both personal, and in his work for the Master.

16th Nov 2010 - Myanmar

The work for Myanmar now seems to be progressing well, as the Lord opens doors. We are expecting the first batch of Burmese and Mizo copies of "Jesus Christ, the Word of God" will be printed there in the next week or so. Please continue to pray for this work.

8th Nov 2010 - Myanmar:

The progress in Myanmar is very slow, and we are having great difficulty in arranging a funds transfer to there because of the political setup. We need much wisdom from our God in order to know how to proceed, as the need for materials would appear to be very great. Our

contact there, a pastor **Martin Lilthangliana** has almost completed translating " ***Jesus Christ, the Word of God*** " into the **Burmese** and **Mizo** languages, so he will soon be ready to have them printed there. Please pray for this work!

Tanzania - Dodoma:

Peter Siwale's crusades in that city have now been completed, and we are waiting on his promised testimonies, which we will post up on **Missi on Reports** just as soon as we receive them.

Kenya:

George Otieno's three month series of crusades is now in its final month. Please continue to pray that our God will be greatly glorified by much good fruit been borne for him there.

India - Andrea Pradesh:

Pastor Ephraim Penumala and his linked fellow pastors have just had 40,000 tracts printed, and are in the process of sowing these seeds in the **Guntur district**. As yet we have no word of how the Lord is using the tracts which were distributed in the **Prakasam district** . We

wait on our God!

Tanzania - Mbeya:

We praise our great God and Father that the **Mahali family's plight** has improved somewhat. At the beginning of this month they moved into a rented house, and so the Lord has provided shelter for them from the coming rains. Phillip continues to do everything we need done in **East**
and
Central Africa
, so would you please continue to uphold him, his family, and his church assembly, before our God.

Nigeria - Port Harcourt:

Please pray for our dear brother pastor **Bekinbo Ibuwariso**, as he is facing a very difficult time with living accomadation problems for him and his two sons, plus additional problems which we cannot mention here.
