Beloved brothers Danny and Terri, thank you so much for your financial assistance for Christian tracts, which I received safely. We will use all of this money to print and send tracts to Mary in Burundi. By the way, at this season, many people will be around their homes and cities, so many tracts will be needed. God bless you. Your sons, pastors Phillip and Kissa Mahali.

Brethren Danny and Terri, thank you for your kind reply which I shared with my Krishna brothers. They are very happy, as their district is 80% idol worshiper Hindus, and Muslims, so this explains their great need for our Telugu tracts. Please pray for their need. God bless you brothers, Ephraim Penumala.

Andrea Pradesh, India, 18th Dec 2010

Brothers Danny and Terri, yesterday some pastors came to my home from my side district of Krishna asking if we would extend our tract ministry to their area. Thanking you my brother, Ephraim Penumala.

Dear Danny, Nweke Rapheal, from Aba, called this afternoon and picked up the tracts that you directed me to give him. He was very grateful. I gave him everything I had. Also I have been with Bishop A J Udoh and he told me he needs more tracts. Please I need materials. God bless you. Love, Bekinbo.

Brothers Danny and Terri, our 60 linked pastors have conducted rallies in their areas and have distributed our Telugu tracts. I am also participating in these rallies, and some souls have been won for our Lord's Kingdom. Some Hindus and Muslims are attending

these meetings. God bless you. Ephraim Penumala.

Phillip Mahali continues to extend himself to serve his fellow workers in several countries in his region. These include George Otieno in Kenya who is about to finish three months of missions there. Plus Mary Mahecho, who next week, by God's grace, will be starting two months of missions in Burundi, followed by another two months in Rwanda. Phillip has committed himself to assisting her with preaching some of the time, as well as supplying tracts. He continues to be a great inspiration to me personally. Please pray for this great servant of Christ.
