## Today we received word from Ephraim Penumala that some of the Prakasam district pastors came to his house and told him that nearly 50 souls had been saved through the tracts. They also asked for more materials. (See Outreach Reports, Prakasam)

Brothers Danny & Terri, thank you for your reply. Yesterday I sent 30,000 Telugu tracts to the Krishna district pastors. Please pray for this ministry. Brothers, today my grandfather, Yohan, is promoted to glory, please pray for his funeral service tomorrow. Today our linked pastors come to my home and the will participate tomorrow in the service. God bless you richly. Your brother, Ephraim Penumala.

Hello dad. We thank God so much for protecting you and your family. It is sad to see so much destruction. I saw it on CNN, and it's good to hear of God protecting his own. I do not know if this is the right time to forward Mercy Armah's request for about 50,000 Twi tracts, but she needs them by 24th Jan. Can you help? Please let me know so I can inform her. Your son, John Boateng.

Hello mum and dad. Sorry for you not hearing from me. I took a week off to rest and seek God's direction for our ministries. This is the report for our Abuesi crusade which was our last one for the year 2010. By the grace of God we were able to preach to 74,000 people in two weeks. 83 got saved; 25 women, 17 men, and 41 children. Many people also renewed their faith in the Lord. I must say this great work was made easy with the help of the TWI tracts. Thanks, and God bless you and all your partners. Yours in his service, John Boateng, The Cross Ministries, Ghana.
