31th March 2011, China

During this month contact was established between Trailblazers and us at Christian Tract Outreach. (Trailblazers is an online Bible College) This came about in an amazing way and has now resulted in an unofficial partnership between our two ministries with Ian Trail supplying pastor training materials to our contacts in India, East Africa and West Africa.

I think he said he expects to be meeting with our contacts in India in Sept, then with Phillip Mahali and others in Tanzania in Nov. Finally he hopes to visit with John Boateng in Ghana, either late Dec or possibly Jan 2012.

Incidentally, Ian has already set things in motion to have some of the tracts translated into Chinese.

29th March 2011, Dodoma, Tanzania

We received an urgent **plea for Swahili tracts from Peter Siwale** today. He and some other pastors have been
invited by the student fellowship to preach in a number of schools in that city.
He reminds us again that the tracts are, as he put it,
a very, very important tool in this work
.

All these people are in my church now. Your sons, pastors Phillip & Kissa

15th March 2011, John Banda (Evangelist), Malawi

Brothers in Christ Danny & Terri,*I hope I have not offended you by not having been in contact with you for several months now, but I was*

involved in an accident which left my leg affected a lot. I was in hospital for several months and only now I am opening my emails.

We were supposed to begin a mission last month but we failed because I was in hospital, so we have arranged to begin ON 28 MARCH 2011. This will be for two month. PLEASE HELP US WITH TRACTS AS LORD PROVIDES YOU. Stay in peace. John Banda.

We have been able to assist in some way, but this need is obviously ongoing.

12th March 2011, Ephraim Penumala, India

Brothers Danny & Terri, **so many Hindus and Muslims and other non-Christians have read our tracts and they know first of all who our**

Saviour is, next they know the Bible is the truth, and then they know they have been living in sin. The Lord has used our tracts to open their eyes. They come to our Lord's feet and their lives are changed

. I am so happy for this ministry. God bless you richly. Thanking you brother, Ephraim Penumala.

8th March 2011, Guntur

District, Andrea Pradesh, India

We have just received word from Pastor Ephraim Penumala of a Hindu man being healed. He had been hospitalised with a fatal illness, and in the process of being healed he was saved and converted to Christ. This was as a result of some pastors distributing tracts there and praying with the sick. Full details in "Outreach Reports"

later.

The latest repot on young Rejoice Mahali is that he is now fully recovered. We praise our God for his mercy and grace. Phillip and his wife Kissa also continue with an outreach in their local area. By our God's grace this will again be fruitful for the Masters glory.

4th March 2011, Rwanda

Daniel and Mary Pierre are continuing their outreach crusades in Rwanda and we expect they will finish up in about two weeks time after spending two months of evangelism in Burundi, followed by two month in Rwanda. Reports will follow when it is possible for them to do this, as we are sure they must be exhausted by now from their labours. Please pray for their

safekeeping.

3rd March 2011, Ghana

John Boateng and his team have completed their week in Cape Coast. By our God's grace we will have a report on this later. John's health is not that good at the moment. Please remember him to our Father. Mercy Armah's crusades continue with her requesting a further 60,000

tracts to complete the mission. A report will follow at a later date.
