30th April, 2011

While there has been much activity, and many requests for tracts in April, yet because of a fall off in the availability of funds we have been unable to help many of God's servants. Also, those we have been able to supply have been involved in long term missions of several months, so we have not received many reports. Plus, could those of you who read this please pray for Mary and Daniel Pierre of Burundi as we have heard nothing from them since they returned from four months of crusades except that Mary was suffering from severe pains. We are concerned!

I request you to please provide me Gospel Tracts in ENGLISH and TELUGU languages to reach those brought up in idolatry in our villages and towns. Please pray for us and if it is a possibility, please come to our home and preach and give testimonies to bring people to Jesus. Love to hear from you, your sister, Sara.

Hell Dad, how are you and mum? Please thank God with me for the wonderful work He did through me in Tamale in Pastor Awudu s church. As I was preaching the word of God a man who was passing heard it and came to the church to gave his life to Christ, I have not see such a miracle in my ministry life before.

The community is about 235,000 people and 85 percent are Muslim, therefore I continue to request that the Hausa tracks be printed to help win souls for Christ Kingdom. I pray that the Master will provide the funds for the printing of the 90,000 copies of Hausa. Once again thanks so much for your prayers for my journey. God

8th April 2011, Tamale, Ghana

Hello dad, I have been invited to preach this Sunday, 10th April, at Tamale Apostolic Church by Pastor Awudu, one of the three that requested Hausa tracts.

Dad I need your prayers because as I said this place is Muslim· dominated, also I have not made such as long trip before; from Takoradi to Tamale is 13 hour drive. I tried not to go but I can see the Holy Spirit wants me to, so I am surrounding my will to Him. They were expecting me to come with the tracts and I would have loved·to do

that, but as the Master has not provides the funds I will go tomorrow, by His grace, and preach His word. As you said, we will continue to wait for our God's provision and I will ask them to pray for God to make funds available for this as soon as possible.

So dad and mum I need your prayer support this weekend, I also humbly request that you try forward some founds for the printing

of the Hausa tracts. Son, Pastor John

Brethren Danny & Terri, here in India we are in our summer season, so we are very busy conducting cottage meetings and some open air gospel meetings. Our Lord has saved so many people through our Telugu tracts. This month on the 18th and 19th we have arranged meetings in Prakasam. The pastors there want your prayers and they have invited me to preach.

Here in Guntur the pastors have also arranged these types of open air meetings for next month. We need your assistance with tracts. God bless you richly. Thanking you brothers, Pastor Ephraim Penumala.
