Brothers Danny & Terri, thank you for your kind reply. Our tracts ministry now goes to so many districts in my state and our tracts win so many souls to our Lord's kingdom. Our linked pastors appreciate you and your kind help to run this ministry. Today the Krishna district pastors came and shared how this ministry is bearing fruit in their villages. So many Muslims and Non-Christians are reading our tracts and their lives are

changed. They come to church regularly because our God is opening their eyes and they know our Lord Jesus Christ is only God. They and their families are now saved. The pastors happily shared this good news with me and they asked for our Telugu tracts on 28th of this month. They are conducting gospel rallies in up to 30 villages to their district. God bless you richly. Thanking you brother, Pastor Ephraim Penumala

Brothers Danny & Terri, thank you for your kind reply and for your kind prayers of our tracts ministry in my state. Our ministry is slowly spreading to some more villages and districts. We have won some more souls through our tracts ministry, and our team and my family happily do this ministry and have arranged some worship centres. This is our Lord's plan of my people salvation. Yesterday we visited the leprosy hospital, where we are saw their situation. This disease is terrible, when I saw it and I could not control myself, I wept bitterly. We preached the word of God and we distributed our tracts and some fruits to these

people and the hospital staff, and we prayed for healing and salvation. The hospital staff and these people requested us visit the hospital twice monthly. Please pray for these people's healing and salvation. We pray for you and your family and also your needs and we want your prayers for our linked assemblies and my family. God bless you richly. Thanking you brother, yours, Ephraim Penumala **13th June 2011, Iringa, Tanzania**

Brethren, Danny and Terri Maher, my good friend, how are you? Have you forgotten me and my problems? Have you become tired of me? I haven't heard from you or Phillip for many days. Are you okay, both you and Philip? I still need your assistance financially, but tracts are more important. As I told you, all I can do now is distributes tracts in schools, streets and other areas. Would

you please help me to get tracts now? I will be most happy if you will consider my request. God bless you and Terri.
John Mark **12th June 2011, Khammam District, India**

Brothers Danny & Terri, we are all safe by the grace of God and your precious prayers. My team and my family visited 4 Tribal colonies in the Khammam district on 8th, 9th and 10th. We returned to my home and I am sending these report for your kind notice. We visited these colonies door to door and we spread the word of God and we distributed our tracts, which they happily received. We prayed for

the sick. Mainly these people did not know our Lord Jesus Christ and their life is very different, they worshiped the forest idols. For those 3 days we gathered the people in the centre of the colony in the evening and we sang some songs and introduce our Lord Jesus Christ to them. Some received the good news with interest. 30 souls were saved during this visit, and soon we will start worship meetings with them Brother, please pray for these people's salvation, as they want us to visit again next month on the same dates. Their culture and food are very different, so I did not

adjust easily, but we are happy to do our tracts ministry for them. God bless you richly. Thanking you brother. Yours, pastor Ephraim Penumala **9th June 2011, Mbeya, Tanzania**

Beloved brothers Daniel & Terri Maher, I believe you are still strong physically and spiritually. I think John Banda has two weeks left to finish his missions, but I have

received Swahili tracts order/request from Mozambique and DRC Kongo. Let's finish with our brother John in Malawi first, as I am making good contacts with brothers in Mozambique and DRC Kongo. Thursday is a very good day to send

funds for tracts and I appreciate it, as that gives me enough time to prepare and send out the tracts. Also, 300 AUD is a good amount because to the numbers of peoples/countries who need your tracts. Brothers, may the Lord

bless you. Your servants, Pastor, Philip & Kissa Mahali
