31th Oct 2011, Africa

Toward the end of this month, Ian Trail from Trailblazers International, an on line bible college, has started linking up with our contacts in East Africa, and this seems to have been very beneficial all around. He has contacted us saying, ***"This place has many people who have come to the Lord, but they need lots of teaching. Your tracts have been a great benefit here. I am so moved by these people as they are like dry and parched ground soaking up every word. I hope others will come and help in the teaching."***
We will hopefully have more details about this later, as around the middle of the November Ian will be spending up to two weeks in West Africa with our contacts there.

31th Oct 2011, Nigeria

This new contact came in on the last day of the month. Please pray, as we will need a miracle of our God's wisdom for us to be able to assist these brethren in any way.

Dear beloved in Christ, my name is Ify Obi and I was just a church goer until a friend invited me to his church. After the sermon my understanding was opened then I realized that I was a lost sinner, so I repented of my sins and gave my whole life to Christ. Jesus is now my Lord and Messiah. I did not stop but went ahead telling my friends about Jesus, and to the glory of God 71 brothers and sisters gave their lives to Christ. We are now all born again Christians, believing that Jesus is the son of God and the Saviour of the world, but we don't have bibles to read Gods word, so we need your help. Dear beloved, please kindly send us 72 holy bibles and literatures to the address below by M-BAG SEA MAIL. We all are ready to go out with our bibles and lead other lost souls to Christ. Thanks. Yours all in Christ, Ify Obi and friends. BLOCK A

Brothers Danny & Terri Maher, I attend the Khammam district pastors meeting yesterday, our linked pastors prayerfully discussed their area's future ministry programs. We spent 3 hours in prayer for this, and for you, your family and also your health and your financial support of our tracts ministry. The pastors shared testimonies of the effectiveness of our tracts ministry and of many souls being saved through this work. I am so happy to do our tracts ministry in Khammam district. Please pray for us. They also shared that they are planning to conduct a Bicycle Gospel Rally on 7-11-2011 into 5 villages. Please pray for this Rally and our one day Youth Seminar in my town on 4-11-2011. We need for your prayers for our ministry in India. God bless you richly. Thanking you brother. Pastor Ephraim Penumala

27th Oct 2011, Trailblazers International

Dear Danny and Terri, it took me 62 hours to get from my home to this corner of the Vineyard, Mbeya, Tanzania. Yesterday I had four hours of teaching. I have had a stomach bug which has meant many pit stops. I hope I will be over it today. This place has many people who have come to the Lord, but they need lots of teaching. Your tracts have been a great benefit here. I am so moved by these people as they are like dry and parched ground soaking up every word. I hope others will come and help in the teaching. Pastor Philip has started to make more contacts in other areas to establish the College. He is leaving in November to visit two other African countries to start two more campuses. My beloved brothers in Christ, Daniel & Terri, I received the funds for tracts and John Banda's assistance safely. This will help and encourage John a lot, Lastly I am very, very happy to hear that you still hoping to be able to provide tents, blankets and mosquito nets for my brothers in Malawi, through your fellowship. This will encourage them because they really are working very hard in dangerous situations. I will fast and pray for you asking God concerning the above request. God bless you. Your sons, Phillip & Kissa Mahali

21st Oct 2011, Ghana

Hello Dad and Mum, thanks a lot. I got the funds and the tracts will be ready by tomorrow, which will help us so much. You did say it looked to you as if Abot was more successful than Abuesi but this it because Abuesi already has 19 churches whereas Abot has only 6, so there are more unsaved people in Abot. We need more help to saved them for Christ. Be blessed, your son John Boateng

Brothers Danny & Terri, yesterday I attended the sisters meeting in the Prakasam district. 650 sisters attended this meeting and they all happily received the word of God. The district pastors are

co-operating in this program and some senior sisters conducted and successfully completed this meeting. Those sisters have requested us to conduct this type of meeting monthly in some different parts of that district, so please pray for the next sister meeting there. Our Telugu tracts are very useful to these people spiritually, and some are saved through them. God bless you richly. Pastor Ephraim Penumala

13th Oct, Andhra Pradesh, India

Brothers Danny & Terri, thank you for your kind reply and for your financial help, we used this to reprint 40,000 Telugu tracts and we will distribute this material to our 4 districts pastors soon. In the last two days we visited nine educational centres here; 4 Junior Colleges, 3 Degree Colleges and two Medical Colleges. Our gospel team and our linked pastors participate in this ministry spreading the word of God and distributing our

Telugu tracts to these students and staff. Some students and staff eagerly received our good news and our tracts. So, we won some souls on this visit. Pray for the next seminar on 4-11-2011.The Prakasam district pastors are planning to conduct a one day sister's special meeting on 17-10-2011, and they expect more than 500 to attend, so please pray for them. God bless you richly. Pastor Ephraim Penumala

13th Oct, Malawi

Brothers in Christ Daniel & Terri Maher, I thank God I am back home safely. All the people and the teams in Malawi greet you. John needs help because the fire burned everything and all he has is one trouser, one shirt and one pair of shoes. Everything else is gone. The people who burned his house are in prisons. I have planned to have

door to door evangelisms for two weeks around my city, so I will need some tracts, as Lord provides you. Don’t forget Mary and the brothers from Zimbabwe and Mozambique, also AS LORD PROVIDES. God bless you. Your sons, pastors Philip & Kissa Mahali.

11th Oct, Kenya & Uganda

Dear brethren in Christ, Danny &

Terri Maher, I am very, very sorry for being quite for many days. After finishing the missions I got very bad news concerning the death of my very best friend/pastor. Sometimes we was working together in missions so the team I and some other brothers in Christ we travelled to his village for his burial but now I am back home safely. It's been a very, very sad time. Now as I promised you concerning testimonies/report, really, the missions were very, very good and fruitful. We went door to door and 2530 got saved, 1500 female (woman and ladies), and 530 male

(man and boys). We came to realise that many people came to Jesus first because we give them free tracts and we pray for them and show love to them. Next, we are invited in Zanzibar Island (Tanzania), this is a Muslim stronghold, so we will wait to hear from you if God will provide funds for tracts. Thank you and God bless you. George Otieno (evangelist)

11th Oct, Ghana

Hello dad and mum, just a brief report on the first crusade of OCTOBER OF CHRIST in Abuesi. By our God's grace 17 people (12 women and 5 men) were saved. Among they there was Muslim and one woman drug addict who gave their lives to Christ. We will be going to Abot next and will need more tracts since we are almost out of them. Hoping to hear from you, your son John Boateng

10th Oct, Malawi & Tanzania

My beloved brothers in Christ Daniel & Terri Maher, Greetings, I am here in Malawi at police central with John ready for statements. Really he is in a very, very dangerous situation because the fire burned everything he had. I will give you the full information on Wednesday when I will be at home because tomorrow I will be on the way back to Tanzania. It is sad for me to have to tell John and his fellow workers that you are unable to send funds for tents, blankets,

mosquito nets and water, but there is really nothing for us to say concerning this. Let’s continue to believe and wait before the Lord. We are here with John and we need to go inside the police station for more discussions and statements. I will tell you more later. God bless you. Pastor Philip Michael Mahali.

9th Oct, Andhra Pradesh, India

Brothers Danny & Terri Maher, we all are safe here by the grace of God and your kind prayers. We waited for your replies over the last some days, but I think you are still away. We pray for your family members and their needs. Our gospel team is planning to visit some more educational centres in my area on 11th & 12th, Tuesday & Wednesday. Some of the young people in those centres have invited our gospel team to go.

Please pray for these visits that our God will save many more youth in those centres. Our Telugu tracts have helped so many youth. Brother, our linked pastors are asking about this month's Telugu tracts, and also we need them for my area. We pray for you and your family and also your health. Please pray for me and our tracts ministry in my areas. God bless you richly. Pastor Ephraim Penumala
