Brothers Danny & Terri Maher, over the last two days we visited 8 hospitals here. We spread the word of God and we prayed for the sick people's healing and we distributed our Telugu tracts to these patients and the hospital staff. These hospital visits are very important to our ministry wing, we saw patients and some hospital staff saved, and some healed through our tracts ministry. As this day is the last day of this year, we participate with our linked assemblies in a watch night service. Many Muslims and Hindus will attend this service. Please pray for us, as we hope many will be saved this. We pray for you and your family and also your needs and your health. Wishing you a very HAPPY NEW YEAR, God bless you richly. Thank you brother, Ephraim Penumala

Brothers Danny & Terri, we all are safely home by the grace of God after visiting the 4 remote villages. We spread the word of God and we prayed for the sick and needy. We also distributed our Telugu tracts to these people. We have previously visited these villages and saw some soles won. Those saved souls are now attached to nearest of our linked assemblies. My desire is to see many more souls saved in those villages. God bless you richly, Ephraim Penumala

We are looking to our Master/Provider to make the necessary funds available to have at least sixty copies of our bible studies on "Discipleship" printed and ready for use in January for Ghana, Liberia and possibly Togo and Ivory Coast.

28th Dec 2011, Ghana

Thank Dad for the tract funds. About the bible studies, I believe this is what we need in these last days. They are so good and I want to print copies for all the pastors of The Cross Ministries. For me, they are one of the best studies I have read. They will bring a lot of blessing to all those

who will use them. And I believe these are going to be our teaching material for the year 2012. It so wonderful because we always start new teaching at the beginning of every year and this has come at right time. I believe we need to add these last studies you sent to one big book. I have to send them one to the printing house to see how much it will cost all together. Love, your son, John Boateng

I will inform you as soon as it is ready. Hope we can talk on Skype soon. Your son John Boateng
