The work which the Lord Jesus Christ has given Terri and I the privilege of being involved with in India and Africa through Christian Tract Outreach has continued unabated this year, though the rapid expansion of last year has slowed down due to our financial inability to fund the necessary tracts and bible studies.

In spite of this John Banda has nearly completed two months of crusades in Malawi. We wait to hopefully hear from him when he has had time to recuperate. The work was very hard due to a lack of very basic necessities, though this did not stop him and his team of over forty workers from going ahead with the outreach.

There have also been a number of other outreaches in Tanzania, and even though Phillip and Kissa Mahali are still faced with the prospect of being evicted from their rental home, they have worked tireless to meet the needs. We will not go into much detail here; suffice it to say that in January they were threatened with eviction by the end of March by the property owner, but he has resisted pressure from his fellow Muslims and so is allowing them another three months to find alternative accommodation, which incidentally is proving to be very difficult. Also, Terri and I have been meeting the rental cost of $100 per month for

them for the last eighteen months or so.

Again in Tanzania, John Mark continues to struggle along with very little food and no money to meet the cost of necessary medications in his post cancer battles.

Evangelists Mary and Daniel Pierre in Burundi have been looking to the Lord to give them another child as their first son died within days of been born.

Evangelists Peter Siwale in Tanzania and George Otieno in Kenya, along with a number of others have been quiet this year so far, which is a good thing as we have been struggling to meet the need of those who are active.

The work also continues slowly in several countries in West Africa.

In Nigeria as we have been unable to assist for some time with the necessary outreach materials, but still the brethren in those places press on as best they can, driven by a zeal for lost souls.

In Andhra Pradesh, India the Penumala family remain very active and in

the three to four years since we first came into contact with them through Ephraim their work as grown from the Tenali area of the Guntur district, where they worked with 35 linked pastors initially. This has now expanded to an area with a population equal to that of all Australia and at last count the number of linked pastors has grown to 221. Their desire is to reach the whole state with a population of more than four times that number. So many doors have been opened for them by the Lord and they now have free access to many hospitals, schools and colleges, distribution tracts as they go, including on the great number of trains which pass through there. Plus, in the three months of this year alone, they have established at least three new assemblies in colonies which had previously not heard of Jesus Christ in the Prakasam district. Again, as of March, there is the potential of establish six more fellowships in remote villages of the Krishna district.

Because of the urgent needs of the great number of hard working brethren for tracts in their crusades, plus the need for disciplining material for the many thousands of new believers who have been put under the care of various fellowships and assembles, and the urgent need to establish and equip new assemblies where there was nothing previously, both Terri and I have become very drained, mentally, emotionally and financially. Our hearts are so heavy at the desperate needs of so many, and so, because of extreme tiredness on our part, we have found it was necessary to take some time off, and we are very grateful to our God for allowing us to do this.

We will not bother you with much detail; suffice it to say we had reached a point where a number of our closest friends, some Christian, some non-christian, were expressing genuine concern for our health, saying we were looking very, very tired. As you can see from the fact that there

are no emails shown below for the latter half of this month, it was from that point that we closed up shop as it were for at least four weeks. But as this shut down has worked only partially, we may have to take it easy for some time yet.

At this point we would like to express our deep gratitude to those brethren who have support this work financially, especially two of our sons, without whose generous help this whole outreach would be impossible, also those few brethren from our past who have continued with us in this great work right from the beginning, and we will never forget the faithful giving of a handful of pensioners whose devotion to overseas missions has helped and inspired us, especially in those dark, hard times when so many other brethren did not seem to care for this tract work, and even at times seemed almost to ridicule it, suggesting it was unimportant. Amazing what our God has done with what seems pointless to man. (**1Cor 1:27-29**)

We would appreciate the prayer support of any of you who can find time to do so. Loving regards, Danny & Terri Maher:

My beloved brothers in Christ, Daniel & Terri Maher, thank you so much for completing the revision work and your attachment of DISCIPLESHIP BIBLE STUDY. Many church leaders here in Tanzania have shown great interest with this study. Also I need to send some to our linked evangelists, George Otieno, Kenya, Peter Siwale, Dodoma,

Tanzania, Mary Makecho (now Pierre), Burundi, John Banda, Malawi, plus John Mark, Iringa, Tanzania. These are all ready to begin classes in their nations.

My brother, the number of people who need the tracts and the bible studies is so big, and many of them want to receive both materials. So if possible, please, you can increase the FUNDS to more than $300 per week, as Lords provides. This will help me to print both BIBLE STUDYS & TRACTS. As I told you I need to open a bible school here in Mbeya. We are praying that God will provide for you. God bless you. Your servants, Ps Philip & Kissa Mahali

I greet you in the name of Jesus Christ, thank you for serving the people of God, may the Lord Jesus continue to bless you. I write to introduce myself and the ministry to you. I

am John Benton and am a bond servant of the Lord and directing JESUS SAVES WORLD MINISTRIES here in India to win the lost at any cost. It is after much prayer and thoughtfulness that the love of God has constrained us to send you this mail, hoping and trusting that it will find you

in the best of health and rejoicing in the goodness of the Lord. I am humbled by the kind of work the Lord is using you to do as his servants and at how the Lord can connect His people.

I looked at your Website

and then it moved me to ask you for partnership and the right hand of fellowship. If the Lord allows you, can you come over here and be with us in a Leadership Seminar and a series of Revival Meetings we are planning for the glory of our Lord.

First off I want to say thank God for He has

truly given you a gift and has blessed you with a wonderful Ministry. I pray God continues to bless you for what you are doing. Your giving & caring will never go unrecognized. The Lord sees all and is very pleased.

Secondly, thanks to you and your commitment as

well as dedication to your service to our country. Great to see that you recognize the Creator, Sustainer, the omnipotent God and His Son, Jesus Christ! I trust you have a personal relationship with Him. PRAISE THE LORD!

Gospel Literature plays a very important role in our

entire ministry. Through the Gospel Literature Ministry, we are trying to meet the needs of all people, as follows: Gospel Tracts to the Unbelievers, Bible Teaching Materials to the Believers, Gospels to School and College Students, and Helpful Material to the Gospel

Ministers.

We have published some gospel tracts in Telugu language. COME TO THE LORD, REPENT, BAPTISM, SALVATION, ETERNAL LIFE & BLESSINGS etc. are widely distributed in many

parts of our State, Andhra Pradesh. We supply the gospel literature to many Evangelists, Pastors & Bible Women for door-to-door evangelism, street rallies, and Bible Study groups etc. Every day, we are receiving many requests from various Churches, Fellowships & Ministries

for the Gospel tracts and other Bible study materials. God is changing lives through our Gospel tract distribution program. The wonderful testimonies which we are receiving every day will reveal the importance and effect of the Gospel literature in India.

"As long as there are millions destitute of the Word of God and knowledge of Jesus Christ, it will be impossible for me to devote my time and energy to those who have both". (J L Ewen)

"Why should so few hear the Gospel again and again when so many have never heard it once?" (Oswald J Smith)

Every day, millions of untold people are dying

without knowing about Jesus Christ. There is a great need for evangelization in India. To fulfil the Great Commission of our Lord and to evangelize the unevangelized through CHRISTIAN TRACT OUTREACH. We are going forth with the message of God's love,

sometimes by bicycles and more often on foot, walking through the zigzag jungle routes, deep valley rivers and conducting street rallies, open-air evangelism, gospel tract distribution, personal evangelism, door-to-door evangelism, and making appeal to every person to accept

Christ as the Lord of their lives.

You cannot go to every village, but our evangelists and Outreach missionaries can go. Please send us to the unreached interior villages, on behalf of you.

We also invite you to come and serve the lost along with us, on short-term missionary trip. You can really become a great tool of blessing in many lives.

May God continue to bless as you continue to serve the Lord and the world. Your Indian son in Christ,

BISHOP JOHN BENTON, Director, JESUS SAVES WORLD MINISTRIES, P. O. BOX 24, TRAIN STATION ROAD, TANUKU 534211, ANDHRA PRADESH, INDIA.
