My dear brothers Danny & Terri Maher, at my last visit to the leprosy hospital, I saw the lepers are in very terrible. We preached the word of God and we distributed our Telugu tracts, 15 persons accepted our God is their situation as their personal saviour. There is a total of 60 persons in this and they asked to me read from the Holy Bibles (Telugu) and we pray for Bibles for these lepers. In future we will start Sunday worship to this hospital. My Dad Danny & Mom Terri, it's good to hear from you, and thank you for remembering me in prayer. The Lord answered your prayers and now I am pregnant again. You have not heard from me because of financial problems. I don't have my own computer so I am must go to internet cafe where I have to pay 1 AUD FOR 30 MINUTES. This is very hard for me now because life has changed and is very, very hard and we are struggling to get one meal per day and many people are dying, especially children. Dad and Mom, I am still feeling pain in my stomach and I think I need to attend clinic which wants money and i don't have any; also, will be good for me if I can begin a small business which will help me to get food. So if possible can you help me with money for medication and for business capital (seed), remember I HAVE NEVER ASKED YOU ABOUT MONEY because you are helping us with tracts, but hear me now please. LASTRLY, I GIVE THANKS TO MY GOD, AND TO YOU ALSO FOR SENDING TO US A NEW AND WONDERFUL GIFT OF " DISCIPLESHIP STUDIES". I am received them yesterday from Philip. May the Lord bless you Dan ,Terri and Philip also. AMEN. Mary Pierre.

My beloved brothers Daniel & Terri Maher, thank you so much for remembering us again this time, I received the funds safely. Yes lets use all of this money to get Discipleship Studies and send few copies for all representatives; George Otieno (Kenya), Mary Makecho (Rwanda &

Burundi), John Banda (Malawi), Peter Siwale (Zanzibar Island), John Mark (Tanzania), Philip Mahali (Tanzania)

Concerning cost; yes you are right, we can get quantities printed at $3AUD each. My brothers, Africans need this teaching, and we will use all funds for these studies to the end of this year. Many African countries will get these studies and people will be transformed,

especially church leaders.

My brother, my advice is that, in Africa, we focus **especially on the Muslims countries, and I have planed to go there and bring tracts together with discipleship studies, if you will be able to help me with transportation. I am ready and willing**
. Be blessed. Your sons, Ps Philip & Kissa Mahali
