BRITTAIN 15th May 2012, England Dear Danny & Terri, I have certainly not forgotten you! I am sorry I have not got back to you before this. Partly it is because there have been many developments in our own ministry which I could write a book about if I had the time. And partly because being retired and on a fixed income, and already committed to giving to many ministries, Peter and I realise we cannot by ourselves contribute as much as we would like towards your ministry. The best way forward we thought was to write a piece about your ministry and how God put us in touch, and distribute it to all the chapels in our Circuit (16) which I have done. I am attaching a copy. So far I have had no response but that is not surprising as our old Shebbear Circuit and the old Bideford Circuit only came together as one Circuit in September 2011 and have much to learn about each other. Our focus in coming together was for mission, but in order to prepare ourselves for mission we have had to spend time appointing two new Ministers to take up their posts next September, and to sell four old Manses and buy two better ones with the proceeds. God has been good and the final parts of the jigsaw are falling into place. One of our remaining two Ministers (the husband of the married couple) will only be required to pastor a few rural chapels and then be released to act as a Mission Enabler for the whole Circuit. These are exciting times.

One mission activity Peter and I have managed to get the whole Circuit involved in already is the purchase of over 2,500 New Testaments, produced as a special edition for the Queen's Jubilee, with content added about the Queen's own faith journey. These will be distributed to schools within the next few weeks with the help of Anglican, and Baptist Churches as well as our Methodist Churches. Children in our communities will receive them and so they will find their way into many homes. When our Circuit realises the potential for such an initiative, in our land where it is no longer true that most homes will have access to a Bible, I am still hoping to build on that experience and for the Circuit to be enthusiastic about helping your ministry.

For all the same reasons unfortunately we have not yet been able to help Pastor Celestine. Please keep in touch. Yours in Christ, Maureen Ellis

Brothers Danny & Terri Maher, yesterday we conducted the Youth meeting in my town and nearly 300 youth attended. First we introduced your tracts ministry and your family to them and then our senior pastors preached the word of God. They eagerly received these good Bible messages and 25 youth (14 Girls & 11 Boys) accepted Jesus Christ as

their personal saviour. Our pastors are met with these new souls and give them some Bible references. Please pray for these new souls. These young people and our pastors prayed for two hours for you, your family and for your kind help. I am so happy to have conduct this youth meeting yesterday. Please pray for our Khammam district pastors meeting on June 1st. Pastor Ephraim Penumala

Brothers Danny & Terri Maher, I am sending my linked pastors request for your kind notice. We supply our Telugu tracts to 200

pastors in the 4 district and our God is with their work and they win so many souls to our Lord's kingdom through the tracts, but today they have asked me to inquire of you if it would be possible for you to double the quantity of tracts from 40,000 a month to 80,000. This would mean that instead of them each receiving only 200 tracts per month they would receive 400. Brother, please pray for this need of more tracts. And also please pray for the Youth meeting on 25th of this month. We pray for you and your families and also your needs and your health. God bless you richly. Thanking you brother, Pastor Ephraim Penumala 21st May 2012, Tenali, Guntur District

Brothers Danny & Terri Maher, we visited the TB hospital on Saturday 19th. So yesterday some of our brethren visit the hospital with me and we conducted the service. The patients and the staff participated in this holy service. Please pray for the ministry there. Our gospel team has proposed to conduct a youth meeting in my town on Friday 25th, so please pray for this and for our tract ministry in my 4 districts. God bless you richly. Thanking you brother. Pastor Ephraim Penumala

Today I am dispatching 40,000 Telugu tracts to our linked assemblies, and I also have 100 Xerox copies of your discipleship Bible study books, but we need at least another 100 of these for the rest of our linked pastors. Please pray for this need and our ministry activities. Our gospel team is proposing to visit the TB hospital on Saturday 19th to serve the needs of the saved souls there and to minister to other patients and staff who are ready to come to our Lord's feets. Dearly beloved brother and sister Danny and Terri in the Lord, greetings to you in the most precious name of our Lord and Saviour Jesus Christ; I am Rev. N. Suresh Paul, pastoring the Full Gospel Church in Borrampalem, a small town in West Godavari District of Andhra Pradesh, South India, for the past 10 years. Every year, we conduct Gospel Meetings in this place for the purpose of spreading the Word of God to the people of this area. There are 20 hamlets around this place.

We are praying and planning to conduct a 3 day Grace and Truth Full Gospel Meetings in May 16, 17 & 18-2012. It is a big Crusade and we can proclaim Christ’s Gospel to almost 5 thousand souls in these three days. Bishop John Benton is our regular speaker at these meetings for the last 5 years. He is a revival speaker and anointed servant of God. He told me about you and your kindness as well as your wonderful work in the vineyard of God. Lot of thanks brothers and sisters for your faithfulness and mercifulness! God bless you greatly.

Brother, the estimated cost of the upcoming meetings is $900 Dollars. When I asked Bishop John Benton for some help to these meetings he told me about your goodness and gave me your email and asked me to write you for your kind help for the sake of God. We are seeking for the miracles of God in the lives of many people in these three days of meetings. We are expecting thousands of people from different villages and remote places. Brothers Danny & Terri Maher, thank you for your kind reply and for your information of our brother evangelist Mike Smith's proposed visit to my area of India. Here the ministry situation is so hard because some anti-Christianity Hindu groups groups are causing problems for foreign Missionaries. What is happening is that these Missionaries are converting many Hindus to Christianity. This is the main cause of the problems. My Government also supports these Hindu groups. I including some information about recent situations;

1. Last month the state of Orissa was visited by some Canadian Missionaries, one of whom was kidnapped by the Hindu groups and after 10 days he released, but our Christian ministry has stopped to that area.
2. And last week in Karnataka state, in the city is Bangalore, these Hindu groups complaint to the police about some local pastors. these were converting Hindu & Muslim people to Christianity. The police is arrested and filed cases against those pastors.

Brother, we fear to invite Bro, Evangelist Mike Smith here. We will pray that the above situations will change as soon as possible, and we will let you when this happens. God bless you richly. Thanking you brother. Pastor Ephraim Penumala

1st May 2012, Guntur & Prakasam Districts

Brothers Danny & Terri Maher, thank you for your kind replies, and I read your first letter about our sister, Evangelist Mary Makecho's bad situation, and I shared this with our linked pastors. They and their assemblies are praying for sister her. Our Heavenly Father hears our prayers and He will clear her problems. Yesterday we visited the TB Hospital and 25 patients accepted our Lord Jesus Christ as their personal Saviour. Also 4 staff members have come to our Lord's feet. Our tracts ministry is winning these souls to our Lord's kingdom. Please pray for the remaining 85 TB patients salvation. Our gospel team is proposing to visit the Tribal colonies on Saturday 5th. The Tribal people have invited us, so please pray for this visit. Here, our linked pastors and their assemblies and my family are praying for you and your family and also your needs and your health. God bless you richly. Thanking you brother, Pastor Ephraim Penumala

Dear Dad/Mum. Just got home from preaching appointment, it went very well and in the three days we had 25people given their life to Christ and had join the church. I came home to meet a 14 year old girl named Ruth who has been disown by her parent for coming to my Church and accepting Jesus. Please pray for me because I can't send this girl anywhere and she needs to be taken care of and provide for. I believe the Lord will help us. Once again, thank you so much for your help in providing the funds for the tracts, indeed they help in us in winning the 25 people for Christ this week. Dad, more and more people are showing interest in the tracts and I have another pastor who has make a request for them, and I will be grateful if we could help them. Be blessed. Dear beloved in Christ, holy greetings to you and your glorious ministry. I want to thank you for your prayers and wonderful help you have rendered to us in the past. I still don't know how to thank you, but our prayer is that the good Lord will reward you abundantly, amen.
Beloved, we have been able to reach many villages and remote areas with the good-news, and also we have made so many house to house, prison yards and hospitals visitations and the Lord has been so faithful touching and transforming lives. One of our neighbouring churches gave us a big box of Pilgrims tracts with thousands of copies which we have been using. We have distributed them and many lives has been touched, praise the Lord. But many of the new converts and other believers are without bibles and they have requested assistance with this. There are 250 brothers and sisters altogether without bibles. Right now is like we are at a cross road; that is why I turn to you for help. Beloved I want these beloved ones to stay closer to the Lord and I believe they can better achieve this if they have their own bibles. Please, for Christ sake, send us 250 bibles to give out to these brethren. I pray that the good Lord will bless you abundantly. Thanks, yours in Christ, **Ify Obi EAST, CENTRAL & SOUTHERN AFRICA**

10th May 2012, Mbeya, Tanzania Dear brethren, this morning we received an appeal for assistance from Pastor Phillip Mahali in Mbeya, Tanzania, and we have attached some relevant extracts from that mail above. Obviously the conditions are desperate there, and when our brother, Ian Trail, from TRAIL BLAZERS visited with Phillip some months ago he was appalled by the poverty he saw, so we can assure you this is a genuine appeal.

If any of you know of organizations or churches which may be able to assist in this, because it is too big for any individual, please, please get them to contact us for details. Thank you in

advance for any assistance you may be able to give in this matter, and thank you also for your prayers.

Loving regards in the Master

Danny & Terri Maher

CHRISTIAN TRACT OUTREACH

10th May 2012, Mbeya, Tanzania My beloved brothers in Christ, Daniel & Terri Maher, by God's grace we are fine, I believe the same to you both. My brother I have something to share with you, there are so many street children/orphans and poor peoples here in Mbeya city and Tanzania generally, who are walking naked and without shoes in streets, and widows dying because of hard life, also ladies engaged in harlots/prostitutes in order to get money.
If you know any people; individuals, families, churches, institutions or Christian organizations who would be able/willing to donate or assist with clothes, blankets and shoes for street children/orphans, sewing and knitting machines for widows and ladies please tell them to do that.
Every day when I saw this people my tears are dropping down
. Please help me by telling others about this visions which God puts in my heart.
Lastly, let me remind you concerning funds for discipleship studies tomorrow, IF LORDS HAS PROVIDES. May the Lord bless you.
Your sons,
Ps Philip & Kissa Mahali

My beloved brother in Christ, Daniel & Terri Maher,
greetings in Jesus name our Saviour. Thank you so much for your kindness, always you are so good to me and for my fellow brothers. Concerning Mary and a place to stay; my brother, yes there is a Christians there and also there is a Christian group which is working with Mary for many days now to distribute tracts and discipleship studies with Mary as leader.
My brothers, I am in very close contact with Mary and her team all this week concerning her situation. It's true that Christians and other church leaders have houses, but they feared to invite Mary in their houses because Daniel is stopping everyone from inviting her.
But I thank God yesterday I got in contact with Daniel and Mary's former pastor and I spoke with him and he agreed with me to invite Mary to stay in his house, So now she is safe. But still we need to have a future plan to help her to get her own house.
May the Lord bless you;
your sons, Ps Philip & Kissa Mahali
