26th June 2012, Tanzania & Somalia Mom & Dad, it will be good if you can send some funds this week for discipleship studies and tracts for our brother Joseph Mujahidin from Somalia, if the Lord provides, because he has already started the missions. He is a very active and serious brother in God's work and we need to encourage him. God bless you. Pastors Philip & Kissa Mahali

My Dad & Mom, thank you so much again for remembering me and my fellow African brothers as we work to make sure they know Jesus through tracts and discipleship studies. I have already been in contact with Joseph from Somalia. While I know nothing about this men, a fellow preacher/bishop here in Mbeya knows him very well and says he is a good man, filled with Spirit with a zeal/burden to serve the Lord and is bringing many lost soul to Jesus in Muslims/Arabs countries.
So, I am willing to supply his need of discipleship studies and tracts, and because they begin missions next week I will need to send this literatures at the end of this week AS LORD PROVIDES. But please i will ask you to help me with some funds for my family's very urgent need. God bless you. Ps Philip & Kissa Mahali

Servants of the most high God, Daniel & Terri Maher, greetings from Somaliland; I am Joseph Mujahidin from a typically Muslim family. After baptism I

change my name from Abdul
to Joseph. Since I got saved all my friends/family rejected me and I was put in
prison. Now I am working a work of god as a pastor/preacher and church planter.
I have already planted 105 churches in Somalia, Sudan, Ethiopia and many other Muslims
countries. Servants of God, I have seen your website, and I have seen you have many materials which will help me in my ministry. Can you help me by sending Swahili/english disciple ship studies for church leaders and tracts for crusades? Please, I need your help.

All blessing to you, Joseph Mujahidin

My Dad & Mom, you are so good to me and my family and thank you for kindness

for being ready to take care for my accommodation. As I told you before to get a

house is not easy here, so I again asked the house owner to give me another three

month and he is agreed. So by God's grace we now have another three months.

Thank you again for caring. May the Lord bless and strengthen you.
Your sons,

Ps Philip & Kissa Mahali

Brothers Danny & Terri Maher, yesterday I saw your

letter and I passed this prayer request for sister Karen and sister Makayla's eye surgery to all our linked assemblies. Also yesterday our team went to the TB hospital and we visited these patients and we spread the word of God. We prayed for these patients and we distributed our Telugu tracts to this hospital staff and the patients. Last night we conducted a thanks giving

cottage meeting in another place. Many Hindus (idol worshipers) attend this meeting and they heard the word of God and 5 Hindu women are accepted our Lord Jesus Christ as their personal Saviour, I meet these women personally and I heard their testimony of their acceptance of our Lord Jesus Christ into their lives. I am so happy for these new 5 souls. Our team is proposing to conduct

a Sisters meeting on Thursday 28th, please pray for this. God bless you richly. Pastor Ephraim Penumala 23rd June 2012

Brothers Danny & Terri Maher, yester day I attend the Khammam district pastors meeting, our Khammam district pastors happily participate

in our tracts ministry and we win souls to our Lord's kingdom through our tracts. At this this meeting we prayed for 2 hours for you and your

families and also your health and your needs, and then we discussed our future tracts ministry programs to this district. Our God sees our work and

He helps us and has blessed our tracts ministry in all 4 districts. By the grace of God we have started some new assemblies and

we win so many new souls. This is your encouragement for your kind help of funds for this work. Our gospel team and
our pastors have

proposed to conduct a Bicycle Gospel Rally to some more remote villages in the Khammam district on 7th. I told our linked pastors of this program

and most of them will be attending this Rally. Please pray for this Bicycle Gospel Rally. God bless you richly. Thanking you brother. Pastor
