The work in all areas continues to progress rapidly, including in Africa, despite the fact that our representative for the whole of Eastern Africa, Pastor Phillip Mahali, was suffering with severe eye problems which needed hospitalization and surgery. Plus, in Ghana, West Africa, the wife of Pastor John Boateng, our representative for much of that area, was also hospitalized. We praise God they are recovering, but please pray for them and their families.

Brothers Danny & Terri Maher, thank you for your kind help with funds. I used this amount to reprint of our Telugu tracts and on Saturday 28th I distribute our tracts to our linked pastors equally. It is good to hear that our Heavenly Father heard our prayers and He did a miracle with our brother's eye surgery and He cleared our sister's medical problem. I passed this news to our linked pastors; we all praise God for His Miracles. Please pray for the youth meeting on Tuesday 31st. We pray for you and your families and also your health and your needs, and we pray for your donors. God bless you richly. Thanking you brother. Pastor Ephraim Penumala

25th July 2012, Tenali Area

Brothers Danny & Terri Maher please forgive me my late reply, but for the last 4 days I was sick with fever and body pains. Yesterday our team and I visited the local general hospital. We saw all patients and we preached the word of God and prayed for their healing. Then we visited the leprosy ward and saw the leper's situation. 25 of these patients are believers. We preached the word of God and we pray for them and their families. We had no stock of our Telugu tracts to distribute on this visit and we feel very sad when we visit with empty hands. We pray, waiting for your kind help to reprint our tracts. Our team is proposing to conduct a youth meeting on Tuesday 31st. Please pray for this meeting. We pray for you and your families and also your needs and your health. God bless you richly. Pastor Ephraim Penumala

Dear brethren in the Lord Jesus Christ, all thanks and praise be to our eternal Father who loves us daily in Jesus name.
I hope this e -mail finds you doing well. My name is Micheal Cele. I requested that brother Ify

Obi give me your e mail address. I am one of the 250 people that received the bibles you sent to us through him. I was not among those in the picture he sent you, that is why I requested your e mail address. I wanted to send you an email to thank and tell you what you have done in my life.
I had already given my life to Christ but I had no bible and my stand in Christ was not strong until I received the bible you sent. I started reading it daily and have fellowship with others going to church meetings. Because of this bible my life changed completely and I read it in church when we are asked to read any passage from the bible. I quickly jump up and read it out each time and my faith becomes stronger and stronger. I can now use my bible to tell other about Christ. I am a very happy person and I am writing to say thank you very much. Thank you very much. I pray the Lord will bless you and your good, and that it will increase. Keep up the good work of building lives and equipping them. I love you. Thanks. Your brother in Christ, Micheal Cele
