Brothers Danny & Terri Maher, yesterday
I attend the pastors meet at Khammam district, our linked pastors are gathered
and we first prayed for you and your family and also your needs and your
health, next we discussed our future plans of our tracts ministry in this district. I also shared some of my area ministry progress and future plans. Our
linked pastors happily participate to our tracts ministry activities and we earn some more souls through our tracts ministry. In this meeting our pastors mainly discussed a visit to flood effected villages
and some more Fisherman colonies, which they have planned for Monday &
Tuesday. Please pray for these visits to the above villages. God bless you
richly. Pastor Ephraim Penumala **21st Sept 2012, Khamman District**

Brothers Danny & Terri Maher, thank you
for your kind help and today I used these funds to reprint our Telugu tracts.
Actually yesterday early morning we go to the leprosy hospital and we
distributed some used cloths and some fruits to these lepers, and we spend
there. We conducted a small meeting for the staff and out patients and also the
in patients participated in this meeting and they received our Lord's words
eagerly. 10 out patients and 8 in patients accepted our

Lord Jesus Christ as their
personal saviour and repented of their sins. We prayed for these 18 new souls
and for these hospital staff and other patients. Our linked pastors in the Khammam district arranged a pastors meeting to that
area for Wednesday 26th, and they have invited me to attend. Please
pray for this meeting. I distributed our Telugu tracts to our linked pastors on
Sunday 23rd. God bless you richly. Thanking you brother.

grace of God they came tis time and 25 souls give their lives to Jesus. Please
pray for these tribal areas and the people's salvation. Our gospel team is

Brothers Danny & Terri Maher, today we visited 8 hospitals in my town, all these are
packed with patients because so many are suffering some seasonal diseases.
Mainly these seasonal diseases attack children and older people. We happily do
the Lord's work and we preach the word of God and distributed our Telugu tracts
to the patients and staff of these hospitals. Many of these patients request
our prayers. Today we earned 18

souls in these hospitals. We praise God
for this and we send our thanks to you and for your kind help and your co-operation of this tracts ministry in my area. I hope our Heavenly Father is
giving you a great reward through this ministry. Please pray for me and my
services in my areas. God bless you richly. Thanking you brother,

Brothers Danny & Terri

Maher, thank you for your kind reply and for your kind prayers of my area flood victims. I think it will take these flood victims some months to get back to normal life, as they are faced with so many problems from these floods. I saw their lives and they are now very hard. But our God will hear our prayers and He will meet their needs soon. As I read your bank account news and I was shocked, and I

prayed for our God, our Heavenly Father, to protect you and that they will supply your new cards immediately. This is my hope. Our gospel team is proposing to visit my town's hospitals on Monday 10 t h .

Please pray for this visit that we may earn some souls through our tracts ministry. We pray for you and your families and also your

needs and your
health. God bless you richly.

Brothers Danny & Terri Maher, thank you for the kind help you forwarded to us from

our brother, Mike Smith. Yesterday we went to the flood area and we visited 10 villages, their situation is very sad. The children and the older people are suffering from fevers, and they have insufficient food and medicine. I did not actually see their position because we return to my homes late last night. Early this morning I draw the

funds and we are going to the flood area again.
We will meet SEVEN village elders and our pastors, and I will distribute the
funds equally among them.
Some other people have helped by supplying used cloths and cooking material.
God bless you richly. Pastor Ephraim Penumala **4th Sept 2012, Andhra**

streets with empty hands. They need food and medicine and used cloths. Please pray for these 30 villagers needs. We will visit these flooded village tomorrow night. Please pray for my journey. God bless you richly. Thanking you brother. Pastor Ephraim Penumala

WEST AFRICA 13th

Sept 2012, Abuesi, Ghana

Dear Dad/Mum, I thank God my computer is working again so I can now let you have the report on our weekend crusade. By the grace

of God our two day door to door crusade was held in Abuesi and about 7,000 people attended. We started our door to door evangelism in the morning, and 14,000 copies of our Twi tract were distributed. The remaining

4,000 were distributed at the crusade grounds. At the end of the three days program with Rev. Shelli Sisk and the support of the tracts 11 people gave their life to Christ, accepting him as their Lord and personal

Savoir. They were baptized by immersion on Sunday 9th, to the glory of God. We wish to say thanks to you, Danny /Terri and to all who helped provide us with the tracts. May the

good God continually bless you and keep you for this
good work. Yours in Him, John & Mary Boateng **6th Sept 2012, Takoradi, Ghana**

Yes Dad, I agree with you that the enemy is at work. He knows how many people this weekend program will bring to Christ and that the

tracts are a very important part of the work. I have said so much to Rev Sisk about how the tracts help in our evangelism and she is expecting to see them at work. We

have
started to pray and
believe the Master
will make a way. In
his hands! John &

Servants of God, Terri & Daniel Maher, I was forgetting to let you know that I received literature. Thank

you so much, but please, please and please, the mission is very, very fruitful and unbelievable, so

that means we still need literatures continuously, if possible, and as Lords provides. Don’t forget us this

week as we shift to another city. We are fasting and praying for you and we believe that our God is able to do

greater things, and He will provide. Stay in blessing. Joseph Mujahidin
