Evangelist John Banda's crusade in Malawi continues.

Pastor Ephraim Penumala and family, plus their linked pastors in India, continue to labour in the Lord's field, and much fruit has been borne for God's glory, but they need more tracts.

Pastor John Boateng (Ghana), and his linked pastors, are also completely out of tracts, and need them urgently

Kutz Hetzinger, a young German missionery currantly running crusades in Uganda, and Pastor Peter Siwale in Dodoma, Tanzania, are all seeking more materials.
