"Thank be to God who always leads us in triumph through our Lord Jesus Christ, and through us spreads the fragrance of the knowledge of him everywhere.

Every day, the fact that our God is leading us in triumph through our Lord Jesus Christ should be a reality for us, especially as we go through hard times. Of course, this is always provided that we, by his Spirit, walk by faith in the truth and power of his mighty Word, remembering that he has given us the extraordinary privilege of being vessels to spread that fragrant knowledge of him everywhere; that fragrance which became ours when he began revealing the Father and himself to us, as he promised in **John 14:15-24**

Remember the wonder of it all? That of course is provided you know what it is I am talking about! If you do not have this certainty of knowing him in your deepest heart, then it is high time that you began to wholeheartedly seek after him. Again, remembering he has said, ***"You will seek me, and you will find me, when you seek me with all your heart."***
Isaiah 29: 10-13

Now I know full well that it is Wisdom speaking in that passage, but I ask you, **WHO** is our wisdom but the Christ Jesus himself?
1Cor 1:30

How blessed we are if we are truly spreading the fragrance of the real Jesus Christ, not just our own bad smell, or that of the many false christs's, and false Jesus', which are around today! What confidence we will have in him when we stand before him on that day which he speaks to us of in **Matt 25:31-46**
